

K4-5

SOCIAL SKILLS SUPPORT

Social skills lay the foundation for positive relationships, emotional development, and successful participation in group activities, both in school and beyond.

This **4-week workshop** (1hr/week) is customized for the participating class, focusing on essential skills like interacting with others, sharing, and communication. The program **targets key areas** requiring support and reinforcement, such as:

Expressing emotions

Making friends

Sharing and taking turns

Respecting personal space

Listening and following directions

Cooperation and teamwork
